Dear Sir:

**NOTIFICATION OF RIGHT TO PRODUCE  
EUB WELL LICENCE NO. [REDACTED]  
WELL ID: [REDACTED]**

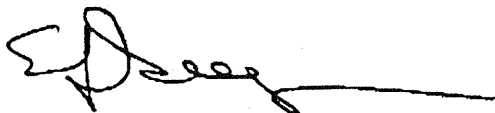

The Alberta Energy and Utilities Board (EUB) is in receipt of Thackray Burgess Barristers & Solicitors letter dated June 27, 2006, on behalf of Bearspaw Petroleum Ltd. (Bearspaw).

Upon review of the documentation, please be advised that the EUB does not get involved in determining the viability of contractual arrangements within the industry, but rather relies on information from those involved in the contracts (i.e. the lessor and lessee). As such, I would advise Bearspaw to forward a copy of their solicitor's June 27, 2006 submission to [REDACTED]. Thereafter, I would advise both parties to direct their concerns to an authority, who can decide on such contractual matters.

Respecting the EUB's Notification of Right to Produce notice, Bearspaw's submission of June 27, 2006, is satisfactory to the EUB.

Should you have any questions regarding this matter, please contact the undersigned at (403) 297-6948.

Yours truly,

Eric J. Deegan
