Alberta Energy and Utilities Board
640 – 5th Avenue SW
Calgary, AB T2P 3G4

ATTENTION: DOUGLAS A. LARDER, Q.C.

Dear Sir:

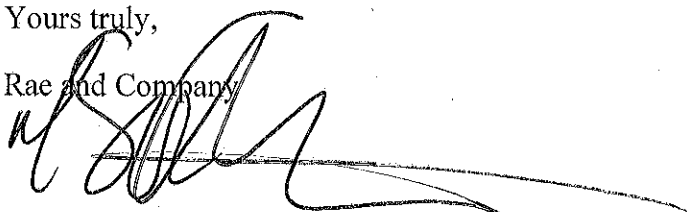

Re: Proceeding No 1457147 – Part 2
Freehold Petroleum & Natural Gas Owners Association (“FHOA”)

Further to the Board’s correspondence of October 2, 2006, FHOA estimates that it will require one-half hour to present its direct evidence. FHOA’s witness will not be presented to answer any questions in respect of legal argument contained within its written submissions.

With respect to estimates on the time required to conduct any cross-examinations, FHOA requests that the Board reserve one hour each for the cross-examination of EnCana, CDP, Professor Lucas and Dr. Levine.

Yours truly,

Rae and Company
