Attention: Doug Larder

Dear Mr. Larder:

Re: Quicksilver Resources Canada Inc. ("Quicksilver")

This is to respond to your letter dated October 2, 2006, in which you requested that hearing participants provide you estimates of the amount of time required to present direct evidence and to conduct cross-examination.

With respect to direct examination, we estimate that approximately 15 minutes to one-half hour will be required to present the direct evidence of Quicksilver. Further, Quicksilver agrees with the position taken by Devon and Fairborne, which has been concurred with by EnCana and CDP, that Quicksilver's witness is not being presented to answer questions in respect of legal argument contained in Quicksilver's Written Submissions.

With respect to cross examination, we concur with the time estimates provided in Mr. Crowther's October 6, 2006 letter sent on behalf of his clients Devon and Fairborne.
