Dear Sir:

Re: Review and Variance Application 9500-1424930 - Luscar Ltd.
Section 26-35-23 W4M ("Section 26")

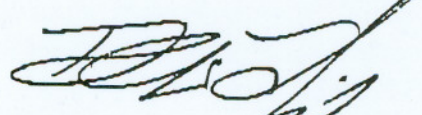

We are in receipt of your letter of January 26, 2006 enclosing Order SU 26461, which amends Order No. SU 2646 by removing Section 26 from Order No. 2646.

In light of the removal of Section 26 from the application of this order, Luscar's request for a review and variance of the Board's decision of September 16, 2005 granting Glacier Energy Limited a holding in respect of Section 26, among other lands becomes redundant and is hereby withdrawn.

Should you have any questions concerning this letter, please do not hesitate to contact the writer.

Yours truly,

CARSCALLEN LOCKWOOD LLP
