Attention: Tamara Bews

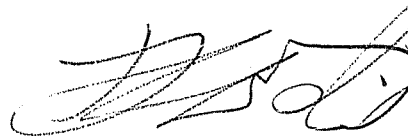

Dear Ms. Bews:

Re: Proceeding 1457147 - Coalbed Methane Review Hearing

Further to your correspondence dated August 23, 2006, please be advised that we have reviewed the consolidated Excel spreadsheet listing exhibit numbers on behalf of Carbon Development Partnership or its predecessor in interest, Prairie Mines and Royalty Ltd. (formerly, Luscar Ltd.) with respect to the Fairborne Energy Ltd. portion of the proceeding. According to our review, exhibit numbers 04-013 and 04-014 are duplicates of the same submission. However, absent specific instructions from the Board, we intend to let the exhibit numbers stand rather than re-numbering and re-naming the balance of the exhibits of CDP. We also note that CDP exhibits 04-021 and 04-022 (namely correspondence and related excel spreadsheet) have not yet been posted under Exhibits Pre-filed – CDP on Fairborne.

Yours truly,

CARSCALLEN LOCKWOOD/LLP
