Attention: Mr. Paul Ferensowicz, Energy Team Secretariat

Dear Sir:

Subject: Part 2 of Proceeding No. 1457147
Bears paw Petroleum Ltd., Carbon Development Partnership (Successor in Interest to Prairie Mines and Royalty Ltd., formerly Luscar Ltd.), Devon Canada Corporation, EnCana Corporation and Fairborne Energy Ltd.
Clive, Ewing Lake, Stettler and Wimborne Fields
Our files: 507548-4 and 517594-3

We are writing on behalf of Devon Canada Corporation (Devon) and Fairborne Energy Ltd. (Fairborne) in response to the requests of:

- ARC Resources Ltd. (ARC);
- Centrica Canada Limited (Centrica);
- Canpar Holdings Ltd. (CanPar);
- Computershare Trust Company of Canada (Computershare)
- ConocoPhillips Canada Resources Corp. (ConocoPhillips Canada);
- Freehold Petroleum & Natural Gas Owners Association (FHOA); and
- Quicksilver Resources Canada Inc. (Quicksilver)

For intervener status and rights of participation for this proceeding.

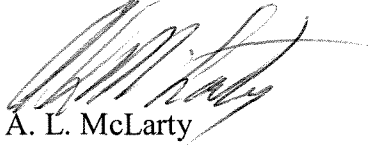

Devon and Fairborne, as parties whose well licence and holding approval applications are and will be at issue in this proceeding, do not object to the above parties being accorded the intervener status requested by them.

It appears that Canpar, Computershare and the FHOA have an interest in the proceeding that stands on a footing similar to that by which EnCana and Carbon Development Partnership have already been accorded a right of participation, by virtue of a claimed entitlement to a mineral estate being potentially affected.

As for ARC, Centrica, ConocoPhillips Canada and Quicksilver, the effect of Bulletin 2006-19, in addition to the other reasons provided by those parties, confirms that those parties also have a direct and material interest in this proceeding.

Yours very truly,

FRASER MILNER CASGRAIN LLP
