UNDERTAKING – TO PROVIDE A SKETCH
SHOWING THE SSG INTERPRETATION OF
THE 7-28-82-12W4 AND 6-27-82-12W4 GAS
AND ASSOCIATED TOP WATER POOL

The attached map illustrates the SSG interpretation of the 7-28 and 6-27-82-12W4 gas and top water pool based on data acquired since the RGS. One well in the area was not used in the interpretation because the log data were not available. This well is highlighted with a circle on the attached map.
