BITUMEN CONSERVATION REQUIREMENTS  
ATHABASCA WABISKAW-MCMURRAY  
PHASE 3 FINAL PROCEEDING  
PROCEEDING NO. 1347905**

---

Further to my letter dated February 17, 2005, the Board has considered the request from the EUB Staff Submission Group (SSG) for leave to file an addendum and errata to its submission dated February 14, 2005. The Board has also considered the comments on that request provided by other parties in their respective letters filed with the Board on February 22, 2005.

The Board noted that the SSG's request for leave to file the addendum and errata was made 3 days following the date such material was due to be filed. The Board considers that it should make all reasonable efforts to include in the Phase 3 Final Hearing each interval that is within the scope of the proceeding and whose production status is put in issue by a party. The Board also considers that the schedule it has set for the Phase 3 Final Hearing provides parties with adequate time to consider and respond to the SSG's submission as supplemented and corrected by the addendum and errata the SSG proposes to file. The Board has therefore granted the SSG's request for leave to file the addendum and errata. For the purposes of this proceeding the addendum and errata will be considered to form part of the material filed by the SSG on February 14, 2005.

Yours truly,
