Dear Sir:

**Re: General Bulletin 2003-28, Bitumen Conservation Requirements,
Athabasca Wabiskaw-McMurray, Phase 3 Final Proceeding, Proceeding
No. 1347905**

In response to the Board's letter of May 20, 2005 requesting that participants in the abovenoted proceeding provide their views on the scheduling of evidence and witnesses, Petro-Canada advises that it does not currently anticipate having any timing issues with its witnesses. Furthermore, Petro-Canada does not have a preference regarding the order in which participants should present their evidence.

Please do not hesitate to contact the undersigned should you have any questions.

Yours sincerely,

PETRO-CANADA
