Dear Sir:

**RE: PROCEEDING NO. 1347905
BITUMEN CONSERVATION REQUIREMENTS
ATHABASCA, WABISKAW-MCMURRAY
PHASE 3 FINAL HEARING**

With respect your letter dated June 23, 2005, you indicate that PEOC wishes to avail itself of the opportunity to review "that material", as such was originally identified in my letter to you of June 13, 2005. To be clear, "that material" is the Board's Memorandum filed September 30, 2004, in Appeal No. 0301-0107, and does not include other material that may be described in Exhibit I-15.

In all other respects I believe my letter of June 13th addresses the Board's position regarding the matters raised in Exhibit I-15 and your letter of June 23rd. In particular, the Board does not intend to have Board staff give evidence in this proceeding whether through an interview process as you had suggested or otherwise.

Yours truly,

Original Signed by

Gary D. Perkins
Board Counsel
