**RE: GENERAL BULLETIN 2003-28 (GB 2003-28)
BITUMEN CONSERVATION REQUIREMENTS
ATHABASCA WABISKAW-MCMURRAY
PHASE 3 FINAL PROCEEDING
PROCEEDING NO. 1347905**

The Board received the attached letter from Mr. Sali, describing material that his client Paramount Energy Operating Corporation (PEOC) intends to refer to when giving its direct evidence in this proceeding. I have advised the Board that the letter was forwarded to the participants in this hearing.

If a party wishes to comment on Mr. Sali's letter would you please do so by return correspondence copied to all participants, or alternatively by raising the matter with the Board during the hearing.

The Board would also appreciate if PEOC would clarify its intentions regarding the filing of new information not previously contained within its submissions. For example, is it PEOC's intention to file in this proceeding all or any of the Resource Management and Progress Reports that are identified in the letter?

Yours truly,
