 Calgary, Alberta T2P 3G4

Attention: Mr. Gary D. Perkins

Dear Sir:

Re: **General Bulletin GB 2003-28**
Bitumen Conservation Requirements
Phase 3 Proceedings

Calpine Canada Resources Company ("Calpine") has reviewed the decision made by Mr. Justice Wittmann on February 26, 2004.

Calpine notes that the Staff Submission Group, in its January 26, 2004 submission, has made recommendations for shut-in with regard to the following wells:

00/03-34-080-07W4/0
 00/04-35-080-07W4/0
 00/14-03-081-07W4/0
 00/08-07-081-07W4/0
 00/06-17-081-07W4/0

These wells were considered by the Board in EUB Decision 2003-23. Calpine would accordingly appreciate receiving immediate confirmation that the Board will not be reviewing the production status of these wells during its Phase 3 proceeding.

Yours truly,

CALPINE CANADA RESOURCES COMPANY

Randy O. Litun, P. Eng.
 Director, Engineering and Development - East
