

March 3, 2004

Alberta Energy and Utilities Board
640 - 5th Avenue S.W.
Calgary, Alberta
T2P 3G4

ATTENTION: MR. GARY PERKINS, BOARD COUNSEL

Dear Sir:

**RE: BITUMEN CONSERVATION REQUIREMENTS
Additional Wells
For the Interim Proceedings Scheduled for March 10, 2004.**

The wells listed below are licensed by Canadian Natural Resources Limited and were not listed in CNRL's original well list dated February 10, 2004. ISH Energy Ltd. has a working interest in these wells and **objects** to the SSG's recommendation to shut-in gas production.

Field	Pool	Well	Perforated Interval (mKB)
Kirby	Upper Mannville U2U	00/01-06-074-08W4/0	442.0-443.0
Kirby	Upper Mannville V2V	00/12-23-074-08W4/0	462.0-463.5
Kirby	Upper Mannville II	00/10-34-074-09W4/0	435.0-438.5

ISH would like the above wells appended to their well list submitted on February 9, 2004 and addressed at the Interim Hearing scheduled for March 10, 2004. ISH's objection to the above wells is supported by their February 23, 2004 submission.

Yours truly,

Jason Wilhelm, P.Eng.
Project Engineer
Fekete Associates Inc.
