Attention: Mr. Gary Perkins
Board Counsel

Dear Sir:

Re: GB 2003-28
Phase 3 Proceedings
Request by IHS Energy Ltd. to add the following Wells to its List of Challenges at
the upcoming Phase 3 Hearing:

<u>Field</u>	<u>Pool</u>	<u>Well</u>	<u>Perforated Interval</u>
Kirby	Upper Mannville U2U	00/01-06-075-08W4/0	442.0-443.0
Kirby	Upper Mannville V2V	00/12-23-074-08W4/0	462.0-463.5
Kirby	Upper Mannville II	00/10-34-074-09W4/0	435.0-438.5

We write on behalf of Canadian Natural Resources Limited ("CNRL") in respect of the request by Fekete Associates Inc. to have the above-noted wells appended to the list of challenges submitted on behalf of ISH Energy Ltd. ("ISH"). CNRL does not object to having the SSG recommendation for these wells being challenged by ISH at the upcoming hearing and supports the Board hearing ISH regarding these challenges. In light of the constraints imposed on the participants in this Hearing, CNRL was forced to make choices regarding the challenges submitted and, because of those constraints, did not submit challenges for these wells.

Yours truly,
THACKRAY BURGESS

Patrick J. McGovern
