Dear Mr. McKee,

**RESPONSE TO INTERIM SHUT-IN ORDERS 04-001 AND 04-002
ALBERTA ENERGY AND UTILITIES BOARD DECISION 2004-045
PHASE 3 PROCEEDINGS UNDER BITUMEN CONSERVATION REQUIREMENTS**

Anadarko Canada Corporation ("Anadarko") is in receipt of your letter dated July 16, 2004 requesting confirmation that wells referenced in Shut-In Order 04-001 and Shut-In Order 04-002 have been shut-in.

There was only one well licensed to Anadarko (00/07-08-082-12W4/0) referenced in Shut-In Order 04-001 and no Anadarko wells referenced in Shut-in Order 04-002 (see full description attached).

Please be advised that the downhole portion of the 07-08 well (licence number 130526) was abandoned in August 1994 and the well was cut and capped on March 29, 1995. The lease site is now partially reclaimed and progressing toward certification.

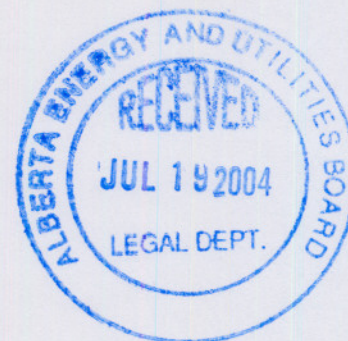

Should you require further information, please contact the undersigned directly at 231-0175.

Yours truly,
ANADARKO CANADA CORPORATION

A handwritten signature in black ink, appearing to read "M.A. Bures".

M.A. Bures, P. Geol.
Regulatory Compliance Manager
