Subject: GOB Shut-In Order - Kirby 02/04-34-075-05W4

Ernie, as per our conversation a few minutes ago, the well Kirby 02/04-34-075-05W4 has been shut-in since August 31/03 including the interval that you inquired about 370.2 m to 371.3 m KB. Please add these comments to my earlier submission confirming Talisman's compliance with the Board's GOB shut-in Order.

I can be reached at 237-1154 if you have any further questions.

Regards,
- Kelly Rustad
