

KEY TO PAS FILE [SERCO] ABBREVIATIONS

Mandatory for DST.PAS, GRD.PAS, TRG.PAS & PRD.PAS

(Modified: December 23, 2010)

All changes since previous update (i.e. November 2, 2009) are listed in Red

(Obsolete Codes exist for "Historical EUB legacy database systems")

Please Note: if you require a 'new' code, please contact (via email) WellTest-Helpline@ercb.ca

Caution: Please ensure characters (such as 'spaces') are not included in PAS [SERCO] field

NOTE: For any new codes or additions to this list, please contact (via Email) <mailto:WellTest-Helpline@ercb.ca>

matches exactly to that assigned on this list. All extra characters (such as 'spaces', 'dashes' or 'periods') may in turn produce inconsistent data/audits for "all stakeholders".

All "Business Rules" applying to WTC PAS files are incorporated within the individual PAS File Specification Documents.

S:\RSC\SRI\WELLTEST\GUIDE-S\GUIDE_52\SERCO.DOC

These documents outline the Type of PAS files and contain within each type, the specific mnemonics (i.e. SERCO) and all associated Edits and Rules as they apply to electronic submissions.

The files are located in the Well Test Data folder on the [DDS](#) menu directory.

Caution: Please remember to ensure that the SERCO submitted
