

Bulletin 2005-27

September 19, 2005

Suspension of Maximum Rate Limitations (MRL) Continues for October

Pursuant to MRL Order No. 193 and [Bulletin 2005-23](#), the Alberta Energy and Utilities Board's (EUB's) maximum rate limitation requirements as set forth in Part 5 of the [Oil and Gas Conservation Act](#) will continue to be suspended until further notice.

The EUB will continue to evaluate the oil supply situation resulting from Hurricane Katrina and will notify operators as to when the MRL Order will be reinstated prior to it being issued.

Questions regarding this bulletin may be directed to Andy Burrowes at (403) 297-8566 or Nashila Visram at (403) 297-8354.
