Interested Parties (See Attached)

Dear Sirs and Mesdames:

**EnCana Oil and Gas Partnership (EnCana) Application No. 1394112**  
**Canadian Natural Resources Limited (CNRL) Application No. 1409180**  
**Husky Oil Operations Limited (Husky) Application No. 1481725**  
**Cold Lake Oil Sands Area – Clearwater Deposit**

The Alberta Energy and Utilities Board (Board/EUB) has reviewed the responses from the parties to the Board's letter of October 12, 2006. Seeing that the parties do not oppose the joining of the Husky application, the Board grants Husky's request to join its application to the EnCana and CNRL applications and will hold one hearing on all three applications.

The Board is of the view that the submission filing dates balance the interest of the parties and afford the parties an opportunity to engage in a similar submission process for the Husky application as was set out for the other two applications. Therefore, please find attached a Notice of Rescheduling of Hearing.

In addition, a list of questions from Board staff to Husky to complete its application and to be responded to by October 27, 2006 is also enclosed.

If you have any questions, please contact me.

Yours truly,

*Original Signed by Giuseppa Bentivegna*
