Dear Mr. Davies:

Re: EUB Application Nos. 1394112, 1409180 and 1481725
Cold Lake Oil Sands Area - Clearwater Deposit

In its December 8, 2006 letter to the Board, Husky set out a schedule for the exchange of modeling information and IRs as agreed to by EnCana and Husky. The agreed schedule, which was approved by the Board in its December 8, 2006 letter to you, required EnCana and Husky to file and serve on all parties their respective models including all input data. In compliance with this schedule, Husky filed and served its modeling information, together with the required data yesterday.

Husky received a copy of EnCana's *Reservoir Simulation Study* which was also filed yesterday, however, notes that the required input data was not filed by EnCana. We ask that EnCana provide its input data in electronic form immediately as per the approved agreement.

Yours truly,

BORDEN LADNER GERVAIS LLP
