Attention: Mr. Gary D. Perkins

Dear Mr. Perkins:

**Re: EUB Application Nos. 1394112, 1409180 and 1481725
Cold Lake Oil Sands Area - Clearwater Deposit**

Husky's submission dated January 8, 2007 referred to certain references and Board staff requested, in Information Request No. 3, copies of the references. We understand that all publications referenced by Husky in its January 8, 2007 submission, other than those numbered 6 and 7, have been provided. Husky now attaches copies of references 6 and 7.

Copies of the articles that Husky previously provided should not, in their entirety, form part of the record. Only those articles actually referred to in the submissions should form part of the record. Husky will be providing a replacement CD with the IR response and the publications referenced therein.

Husky apologizes for the confusion.

Yours truly,

HUSKY OIL OPERATIONS LIMITED

Susan Anderson
