Dear Sir:

**Re: Application Nos. 1394112, 1409180 and 1481725
Cold Lake Oil Sands Area - Clearwater Deposit**

We are writing in response to your letter of November 1, 2006. Husky denies EnCana's presumption that they are intentionally delaying the filing of responses to EnCana's questions.

Husky refers to the Board's letter to parties dated October 12, 2006. In that letter the Board proposed the following dates for submissions in this matter¹:

October 27, 2006 - Husky to file further evidence to complete its application
November 10, 2006 - Information Requests to Husky
November 24, 2006 - Response to information requests by Husky

Husky notes that the October 12th letter also contained a suggestion by the Board that the parties not wait for the proposed date for the information requests to ask questions of Husky in relation to its application. Husky did not read this suggestion as requiring it to respond to information requests before November 24th. Instead Husky understood the letter to suggest that in the interests of avoiding delay, parties were encouraged to file submissions prior to the scheduled deadline if they were in a position to do so.

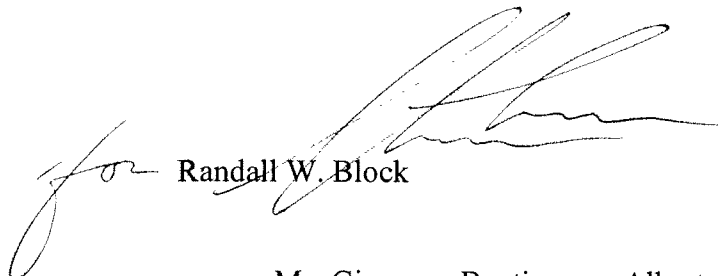

Husky confirms that it is endeavoring to respond to EnCana's questions as soon as possible. Responses will be filed as soon as they are complete, but in any event, no later than November 24th.

¹ These dates were then confirmed in the Notice of Rescheduling of Hearing dated October 13, 2006.

Husky confirms that it is endeavoring to respond to EnCana's questions as soon as possible. Responses will be filed as soon as they are complete, but in any event, no later than November 24th.

Yours truly,

BORDEN LADNER GERVAIS LLP
