---

This letter is further to the technical meeting held at the Board's offices on Tuesday, October 27<sup>th</sup>. At the conclusion of the meeting I indicated I would forward a summary of the points discussed. In retrospect, given the apparent agreement that the issue to be considered by the Board was the proposed schedule for the main hearing, this letter will not address or record other matters that were discussed. I will, however, confirm that during the meeting each of Sunshine Oil Sands Ltd., Canadian Natural Resources Ltd. and Paramount Energy Operating Corporation stated an intention to file annotated well logs for all the wells listed in the attached Table.

The proposed revised hearing schedule, originally advanced by Mr. McGovern, is set out below. Note that if a proposed filing date falls on a weekend I have revised the proposal to have the deadline occur on the following Monday.

<b><u>Date</u></b>	<b><u>Action</u></b>
March 15, 2010	All parties file additional well logs
April 15, 2010	Applicants and parties supporting Applicants file submissions
May 17, 2010	Information Requests from Interveners and Board staff to Applicants and parties supporting Applicants
June 15, 2010	Responses to Information Requests
July 30, 2010	Interveners file submissions
August 30, 2010	Information Requests from Applicants, parties supporting Applicants, and Board staff to Interveners

September 30, 2010 Responses to Information Requests

November 1, 2010 Applicants and parties supporting Applicants file Response Submissions

November, 2010 Main Hearing commences

As I indicated during the technical meeting, Board staff intend to provide this proposed schedule to the Board for its consideration on Monday, November 2<sup>nd</sup>. Please contact me or reply to this letter not later than October 31<sup>st</sup> if you have concerns with the proposed schedule that you wish to raise with the Board.

If you have any questions feel free to contact me at (403) 355-4292.

Yours truly,

Gary D. Perkins
