**LIEGE WABISKAW O POOL
ATHABASCA OIL SANDS AREA**

Take Notice that the Energy Resources Conservation Board (ERCB/Board) will hold a public hearing of Applications No. 1613543, 1616123, and 1506272 (Applications) at the offices of the ERCB, 640 – 5 Avenue SW, Calgary, Alberta, commencing **January 18, 2010**, at 9:00 a.m. All participants to this hearing must be present at the commencement of the hearing to register their appearance.

Description of the Applications

Application No. 1613543

Sunshine Oilsands Ltd. (Sunshine) has applied, pursuant to Section 3(5) of the *Oil Sands Conservation Regulation (OSCR)*, to shut in gas production from 104 wells within and around the Liege Wabiskaw O Pool. The wells are listed in an appendix and posted along with this notice on the ERCB Web site www.ercb.ca.

Application No. 1616123

Total E&P Canada Ltd. has applied, pursuant to Section 3(5) of the *OSCR*, to include the well at Legal Subdivision (LSD) 6, Section 4, Township 94, Range 17, West of the 4th Meridian, within Sunshine's region of influence.

Application No. 1506272

Paramount Energy Operating Corporation has applied to produce gas from the Wabiskaw zone at the well at Location Exception 2, LSD 1-28-93-18W4M.

To view a copy of the Applications and documents filed in support of the Applications, go to the ERCB Web site www.ercb.ca : Industry Zone: Applications : Proceeding Search and enter Proceeding ID 169. A copy of the submissions is also available for viewing on the ERCB Web site under Projects & Issues : Bitumen Conservation : Athabasca Oil Sands Area.

Requirement to File a Submission

If you have an interest in this matter and wish to make submissions or submit evidence to the hearing of the Applications, you must file submissions with respect to these Applications even if you have previously filed a submission with the Board or with the applicants on these Applications. Submissions must include copies of all documentary evidence that you intend to present and/or rely on at the hearing (including, but not limited to, copies of expert reports) and a summary of all evidence you intend to present and/or rely on.

If no submissions opposing the Applications are filed, the hearing of the Applications may be cancelled and the ERCB will continue to process and may approve the Applications without a hearing and without further notice.

Schedule for Filing Submissions

The Board has established the following filing deadlines for this hearing:

September 30, 2009	Submissions due from applicants and those supporting the applicants
October 16, 2009	Information requests due from interveners
October 30, 2009	Replies to information requests due from applicants and those supporting the applicants
November 13, 2009	Submissions due from interveners
November 27, 2009	Information requests due from applicants and those supporting the applicants
December 11, 2009	Replies to information requests due from interveners
January 6, 2010	Final submissions due from applicants and those supporting the applicants

The applicants and those supporting the applicants must file submissions, replies to information requests, information requests, and final submissions on or before the dates listed above through the Digital Data Submission (DDS) system, Proceeding ID 169.

Intervenors must file information requests, submissions, and replies to information requests on or before the dates listed above through the DDS system, Proceeding ID 169.

For information on the use of DDS to file submissions, contact

Kim Clayton, Senior Applications Officer
 Applications Branch
 Energy Resources Conservation Board
 640 – 5 Avenue SW
 Calgary, Alberta T2P 3G4
 E-mail: kim.clayton@ercb.ca

In addition to filing copies of large-scale maps and cross-sections contained in submissions through DDS, parties should also send one paper copy of the large-scale maps and cross-sections to the other interested parties and 15 paper copies to

Bernadette Law, Application Coordinator
 Oil Sands Branch
 Energy Resources Conservation Board
 640-5 Avenue SW
 Calgary, Alberta T2P 3G4

Contents of Submissions

The contents of submissions filed must comply with the *Energy Resources Conservation Board Rules of Practice*.

Applications for Confidentiality

In accordance with Section 13 of the *Rules of Practice*, all documents filed in respect of this

proceeding must be placed on the public record. However, any party may make an application to the Board under Section 13(2) for confidentiality and serve a copy of such request on the other parties involved in the hearing. The Board may grant a request for confidentiality on any terms it considers appropriate, subject to the *Freedom of Information and Protection of Privacy Act*.

Questions of Constitutional Law

In accordance with Section 25 of the *Rules of Practice*, a person who intends to raise a question of constitutional law before the Board must give notice in accordance with Section 12 of the *Administrative Procedures and Jurisdiction Act* and its regulation.
