Dear Ms. Law:

**RE: ERCB DECISION 2009-061
ERCB SHUT-IN ORDER 09-003**

On November 9th, 2009, Paramount Energy Operating Corp. (PEOC) received an e-mail from the Energy Resources Conservation Board (ERCB) dated November 9th, 2009. The e-mail stated that the ERCB requires in writing, confirmation from each of the licensees that it has shut-in production from its listed wells in Table 1 of Interim Shut-In Order 09-003

PEOC wishes to inform the ERCB that all of the pay top depth to pay base depth intervals that the EUB ordered shut-in that were capable of gas production were shut-in by October 31, 2009. Those intervals that were not capable of gas production remain shut-in.

Should you have any questions regarding this matter, or if you require additional information, please contact me at (403) 269-4448.

Yours truly,

PARAMOUNT ENERGY OPERATING CORP.
(as trustee of Paramount Operating Trust)
